

Neighborhood Watch

Law Enforcement's Eyes and Ears

Everyone needs to be involved in keeping themselves and their neighbors safe from crime. You can help reduce opportunities for crime by looking out for your neighbors and acting as extra “eyes and ears” for law enforcement. As a member of Neighborhood Watch, you can improve the quality of life in your community.

Neighborhood Watch organizes trainings to educate members about:

- **Home Security**
- **Child Safety**
- **Personal Safety**
- **Emergency Preparedness**
- **Identity Theft**

If you are interested in forming a Neighborhood Watch Program in your neighborhood, or if you would like additional information, please call me at (949) 425-2563 or e-mail me at mbeauchamp@cityofaliso Viejo.com.
