City Council's February 3, 2010 meeting

2010 is Year of the Youth in Aliso Viejo.

Throughout the year, we will highlight youth who make a  
difference in our community.

# Christian Fronczek

For the past couple of years, Christian Fronczek has selflessly donated all of his Christmas presents to San Clemente Military Family Outreach. The non-profit distributes the gifts to Camp Pendleton for families during the holidays.

The 13-year-old St. Mary's student makes a habit of giving back to others. He saved hundreds of dollars and donated his allowance to his school when he learned it was adopting families.
