

Certificate of Recognition

Presented to

Dixie Bullock

Whereas, Dixie Bullock began her long distinguished service with Saddleback College as a Professor of Nursing in 1976, having served in various capacities until she was named as the permanent president of Saddleback College in August 1998; and

Whereas, through her leadership, Saddleback College has created an environment that provides access to learning opportunities that promote student success and fosters intellectual growth, individual expression, and character development;

Now Therefore, on behalf of the City Council of the City of Aliso Viejo, I do hereby extend this Certificate of Recognition to Dixie Bullock on the occasion of her retirement from Saddleback College, urging all citizens to join with me in extending congratulations and sincere appreciation for her dedicated service to the community.

Presented this 13th day of May, 2004

William A. Phillips

Mayor
